PROFIT WARNING

This announcement is made by Royal Catering Group Holdings Company Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “**GEM Listing Rules**”) and the Inside information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review by the Board of the unaudited consolidated management accounts of the Group for the six-month period ended 30 September 2019, the Group expects increase in loss attributable to the owners of the Company for the six-month period ended 30 September 2019 as compared to the corresponding period in 2018.

Based on the information currently available, the Board considers that such expected increase in loss of the Group for the six-month period ended 30 September 2019 as compared to the corresponding period in 2018, was mainly attributable to (i) the decrease in turnover mainly resulting from the closure of the restaurants under the brands “*Nosh Café & Bar*”, “*Taiwan Beef Noodle*” and “*Coffee Express*” at the Hong Kong International Airport and the negative impacts due to recent protests in Hong Kong arising from the anti-extradition bill protests since June 2019 to our restaurants; (ii) increase in staff costs; and (iii) increase in administrative expenses for the six-month period ended 30 September 2019. The effect was partially offset by the commencement of business of the new restaurants in urban area of Hong Kong.

The information in this announcement is only based on preliminary review of the unaudited consolidated management accounts of the Group for the six-month period ended 30 September 2019 by the management of the Company and the information currently available, and hence may or may not be accurate. The unaudited consolidated management accounts of the Group for the six-month period ended 30 September 2019 have not yet been finalised nor reviewed by the audit committee of the Company. The interim results of the Group for the six-month period ended 30 September 2019 may be different to the information referred to in this announcement. Shareholders and potential investors are advised to read carefully the Company’s interim results announcement for the six-month period ended 30 September 2019, which is expected to be published on 12 November 2019.
